[Lost in Translation \(2003\) - IMDb](#)

I really look down on that R rating because Lost In Translation is a good-hearted film that should be enjoyed by all ages. Notice how during the 2003 Oscar season two films played the "only one special effect: the effect on the audience" card; one being this film and the other being Mystic River. Both are great films, both are rated R in the U.S., but only one of them can carry along its story
