[The Hidden Rules of Successful Negotiation and ...](#)
Therefore, this book on the one hand constitutes the essential techniques and strategies in the context of negotiation, but also considers "soft skills" without which negotiations cannot be successful. This book presents practical examples dealing with situations such as salary, contract and sales negotiations.

[The Hidden Rules of Successful Negotiation and ...](#)
Conventional books about negotiations are usually limited to strategies and techniques, but leave out elements of psychological communication and emotional intelligence, which include non-verbal communication and empathy, which in turn are essential for successful negotiation. Therefore, this book on the one hand constitutes the essential techniques and strategies in the context of negotiation.
