The New Topping Book Amazon co uk Dossie Easton Janet W

I was heartened to discover that "The New Topping Book" included a chapter on full-time D/s, a subject dear to my heart which the authors had previously treated by turns with disdain and disregard. Indeed, Easton and Hardy get off to a promising start here, as they discuss the appeal of topping, the rights and responsibilities of the top, and an exploration of the top persona(e).

The New Topping Book by Janet W Hardy Goodreads

The original version (The Topping Book) was published in 1994. The edition (The New Topping Book) I read was published ten years later. Amazon lists another edition that was published in 2011, which may be more current in terms of terminology regarding the internet (or the Net as they say in the second edition).

The New Topping Book Amazon co uk 0884899039422 Books

My husband and I are new to Bottoming and Topping so I bought this book expecting, I don t know, some how-tos. But it isn t an instruction manual per se (though there is plenty of food info); it is more explaining this new world to me and discussing much more articulately that I can express how the practice of BDSM is strengthening our connection and deepening our connection even when we are not in scene . Highly recommend.

The New Topping Book eBook Dossie Easton Amazon in

This book just repeats what the other 90% of the books do. The last part of the book was interesting. Dealing with the Dark and spiritual side of BDSM. I found that to be an interesting read. I just wish BDSM authors would stop turning out the same info book after book and hat someone would write a book that focuses on advance BDSM not beginner.
